## **Opening Prayer**

Lord God,  
source of every grace and blessing,  
we give you thanks for the many gifts  
that you have given to St. André Bessette Parish.  
We seek to be good stewards of them, Lord.  
Bless us who gather here.  
We ask for courage and perseverance  
in acknowledging difficulties  
and identifying their solutions.  
We ask for open minds,  
that we might be wise and creative  
in making complex decisions and planning for the future.  
Send your Holy Spirit and be present among us  
in the mouths of all who speak,  
in the ears of all who listen,  
and at the heart of all we say and do.  
We ask this through Christ our Lord. Amen.

## **Closing Prayer**

Saint Brother André,  
we celebrate your presence among us.  
Your loving friendship with Jesus, Mary, and Joseph  
makes you a powerful intercessor with the Father.  
Compassion carries your words straight to God's heart,  
and your prayers are answered and bring comfort and healing.  
Through you, from our lips to God's ear,  
our supplications are heard.  
We ask to be made a part of God's work, alongside you,  
in the spirit of prayer, compassion and humility.

Saint André Bessette, pray for us.

# “Going with the flow...”

*How we've been operating* (maintenance focused model):

1. **Our properties** and their needs (e.g. costs for fuel, upkeep, repairs) have dictated...
2. what **our programs** look like (e.g. what kind of space we have available, what money we have left), which in turn has dictated...
3. **who and how we are** as a parish community.

*How we ought to operate* (mission focused model):

1. **Who we want to be** as a parish community needs to dictate...
2. what sort of **programs we offer**, which should then dictate...
3. what **properties** we invest in.

# **Making a Plan**

## **1. Consider who we want to be as a parish**

What are our chief values?

What are the greatest needs of our parish community?

What are the greatest needs of the wider community?

What sort of presence should the Catholic Church have?

What does the Catholic Church have to offer?

How do we honor our past while looking to the future?

## **2. Consider what programs we need to offer**

How should we concretely express these values?

What sort of programs and projects

would meet these needs and move us toward these goals?

## **3. Consider our properties and their use**

What sort of physical structures are needed

to make these programs and projects possible?

How can we best utilize the buildings we already have?

What sort of financial resources are needed

to support these programs, projects, and facilities?

Are these resources available within our parish community?

# Strategic Plan for St. André's Parish

## DRAFT

### ■ Our Values

Jesus Christ is our center

The Sacraments are our foundation

We exist to inspire our members and our neighbors to become saints

> We need to be saints to make saints

We give witness with love, respect, and support for all

### ■ Our Mission

With Jesus Christ as our center, and the Holy Spirit as our guide, we are called to be a community of saints making saints—encountering the Lord in Word and Sacrament, and opening doors for our neighbors to experience the loving mercy of God.

### ■ “We’re opening doors...”

**ENGAGE**—*open the door*

We extend a warm welcome to our neighbors in moments of contact and meeting

**EVANGELIZE**—*invite them in*

We introduce them to Christ that he might lead them to conversion

**ESTABLISH**—*make them at home*

We offer formation and fellowship that they might be rooted in faith and the community

**EQUIP**—*send them out on mission*

We give them the tools to open doors for others

### ■ Our Needs

**Word & Witness**—*Learn the faith: engaging the mind*

#### 1. Evangelization

We need to meet people where they’re at

> begin by building relationships

We need to give witness to our Catholic faith

> positive witness attracts

> show our love for God, the Church, the faith, the sacraments

We need to overcome the fear of sharing our faith

> faith is an everyday affair; not just for Church on Sundays

## **2. Catechesis**

We need catechesis of the whole family (especially sacramental prep)

## **3. Formation**

We need to form and support family life (help families to be families)

We need to foster vocations

## **Spiritual & Liturgical—*Love the faith: engaging heart and soul***

### **1. Sacraments**

We need increased participation

> getting people to come to Mass

### **2. Devotions**

We need to develop a regular, annual calendar of devotional/spiritual events

### **3. Prayer**

We need a place where people can pray any time (day or night)

## **Charity & Community—*Live the faith: engaging hands and feet***

### **1. Fellowship**

We need to be clear about our identity

> the parish is a community of believers, not buildings

We need to get to know each other better

We need to be welcoming (and not just when we're in church!)

> living our faith is an everyday matter

We need social opportunities apart from Mass to get people together

> less formal occasions

> important for newcomers

We need to inspire our youth

We need to show our care for those who have fallen away

> find ways to re-inspire them

> provide them with support to come back

We need our priests to be accessible and available

We need to develop a regular, annual calendar of social events

### **2. Outreach**

We need to embody the Corporal Works of Mercy

> must care for the body before we can care for the soul

We need to be a force for wider renewal in the community

> give hope to a town that's fallen on hard times

Needs of the wider of community:

> many basic human needs not being met

> for health care in line with dignity of the human person

-especially for women/mothers/babies

> for counseling and spiritual support

> for recreation (especially youth)

- need things to do, a safe place to drop in
- > to know that life has meaning
- > to know that people care
- > to know that there's a God and he loves you

### **3. Stewardship**

We need increased lay "ownership" of the parish

- > can't look to the priests for everything
- > increase involvement and contributions

We need better understanding of our duty to support the parish financially

## **■ Possible Programs & Projects**

**Word & Witness**—*Learn the faith: engaging the mind*

### **1. Evangelization**

- > small groups where faith sharing can happen
- > parish retreats and missions
  - speakers from different religious orders would also promote vocations

### **2. Catechesis**

- > implement the *Catechesis of the Good Shepherd* (children)

### **3. Formation**

- > implement *Discovery* study (Catholic Christian Outreach)
- > "culture of vocations" plan and committee

**Spiritual & Liturgical**—*Love the faith: engaging heart and soul*

### **1. Sacraments**

- > recruit and train more liturgical ministers
- > recruit more cantors and choir members; start a children's choir
- > coordinate rides to Mass for folks who cannot drive

### **2. Devotions**

- > devotional/spiritual activities we would like to maintain or grow:
  - 40 Hours: make it annual
  - Divine Mercy Sunday celebration
  - pilgrimage to St. Joseph's Oratory (every 2-3 years)
  - "The Light is On for You"/24 Hours for the Lord
  - Seven Last Words: make it annual
  - Mass for All Souls Day
  - May Crowning
  - St. André's Feast (January 6)
  - Foundation Day (July 1)
  - Stations of the Cross: beyond Lent (maybe 1<sup>st</sup> Fridays)
- > devotional/spiritual activities we would like to add:
  - pilgrimages to other shrines

- First Fridays/First Saturdays—observe in some way
- healing Masses
- Rosary procession in October
- recitation of the Angelus
- monthly night of praise (adoration, Praise & Worship music, scripture)
- observance of Corpus Christi, possibly with a procession

### **3. Prayer**

- > foster intercessory prayer
  - prayer teams/healing ministry
  - “prayer line” for intentions
- > Perpetual Adoration (good for the whole community)

## **Charity & Community—*Live the faith: engaging hands and feet***

### **1. Fellowship**

- > greetings/introductions before Mass
- > hospitality committee
  - greeters at Mass
  - receptions and social events
  - welcome to new parishioners

### **2. Outreach**

- > grief support group
- > soup kitchen (to feed the poor and gather the wider community)
- > Gabriel Project (help in crisis pregnancies)

### **3. Stewardship**

- > parish business manager
- > buildings and grounds committee
